FBI review(s) completed.

Mr. Bruce Johnson  
Director of Data Processing  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Mr. Johnson:

Reference is made to Mr. [redacted]  
letter dated October 5, 1979, regarding a joint GIM II  
training exercise of our two organizations to be conducted  
at the FBI Academy, Quantico, Virginia, with your Agency  
providing the instructors.

STATINTL

I would like formally to confirm the period of  
training as June 22 to August 1, 1980. Also, I agree with  
your requests that 50 percent of the students would be from  
CIA and that the FBI will provide your staff with two video  
tape copies of the training sessions.

As you are aware, Mr. Francis E. Torpey of our  
staff is in continuing communication with [redacted]  
of your staff regarding the discussed training exercise.  
Mr. Torpey can be reached at telephone number 324-5940  
whenever the need arises. In the event that Mr. Torpey  
is unavailable, Special Agent Melvin L. Curran, telephone  
number 324-5647, will act as coordinator for this training  
effort in Mr. Torpey's place.

STATINTL

Sincerely,

William A. Bayse  
Assistant Director FBI

15.

As you will recall, mentioned in a most recent DDA staff meeting that the FBI would be presenting a program on how Freedom of Information Act requesters can take small releases of information and piece it together with other data in an effort to identify informants. Although the presentation was originally scheduled for 29 February, it conflicted with the DDA Office Directors Conference. Accordingly, the program has been rescheduled for 6 March 1980 in the Agency auditorium from 1000 to 1200 hours.

A seat has been reserved for you. If you or your deputy will be unable to attend, we would appreciate your secretary advising Linda on extension otherwise, you can count on a reserved seat for the presentation.
